## **LPJS Cambridge 13<sup>th</sup> November**

George Hendrie has finished the series in fine form by winning the last competition and finishing first in the Under 11 Series. This is a great result and reflects the efforts he has made in training.

Toby Lee and Enzo Leclercq also competed in the Under 11 age group and fenced well to reach the last 8. These young fencers are showing huge potential, and have made big improvements recently.

Tom Hendrie and Indy Leclercq fenced in the Under 15 event, a tough event with some of Britain's best young talent taking part. Indy finished in the last 16, a good result as he lost to Peggs, who is a very experienced fencer, having competed in many senior events. Tom's hard training paid off as he progressed through to the final where he lost to his friend and fellow competitor James Davis. A well deserved second place for Tom!

Congratulations to Lukas and Esther Kuhlmeier on selection for the Scotland Under 20 Team for the Commonwealth Championships in India In Jan 2006.

Three Last 64 results at the Bedford Open for One Two Six Epeeists Ken Hanstock, Arthur Van der Kamp and Mark Walden-Mills.... Well done!
