Mirren Black who turned 12 last week, fenced in her first U17 Cadet tournament. Out of 41 competitors she finished the first round with 3 victories and 3 defeats and was seeded 18th. She received a bye into the Last 32 where she met Rachel Shaw (currently 9th in the U17 British rankings). Mirren trailed 10-5 going into the final 3 minutes, but fought back resolutely to 10-10. They traded hits and then Rachel took the lead 12-11 with time running out. Mirren put her under pressure at the end

of the piste and scored with an attack to level the scores with 4 seconds remaining. Mirren had priority in the final minute and kept her composure, scoring the winning hit with an attack on preparation to win 13-12 and progress to the Last 16! She next faced British no.2 Yasmin Campbell and although the fight went the full 9 minutes, Mirren was unable to find a way through her defence and lost 10-4. Mirren finished a very credible 14th place and has gained 825 ranking points and 28th position in the Cadet rankings- the youngest points scoring Cadet!

Mirren Black competed in her first international event in Italy at the weekend. This event fielded tough opposition and home entries had to qualify for this event and be ranked in the top 50 in Italy. The field also included some useful fencers from Venezuela. During the two poule rounds, Mirren (and Dad!) had to deal with some challenging refereeing decisions and cope with quite an intimidating and hostile environment. Mirren was ranked 33rd after the poules out of 56 and fenced very well to beat the 32nd seed 7-5 in the L64. She then lost to the number 1 seed and eventual runner-up. This was a great experience for Mirren and has inspired her to look at doing more international events in the future.
