- **Eton Foil LPJS 22nd March 2009**

Max Deering and Reef Boericke took part in the U9's on Sunday and fenced superbly to win gold and bronze respectively. In the first round both finished undefeated in their poule and were seeded first and second out of a total of 24 fencers. The top six seeds then fenced in a poule unique to decide the medal places. Reef finished with 3V 2D to claim the Bronze medal and Max finished with 4V 1D to win his second title in consecutive weekends. The Club's Coaches are very pleased with the boy's debut competitive season. Reef has won two bronze medals in his first three competitions and Max has won medals in all of his competitions to date -winning two silver and two gold medals. This is a fantastic start and is very encouraging for the future.

- **Invicta Open 21-22 March 2009**

Congratulations to Leonora MacKinnon who finished 2nd in the Womens Epee and George Hendrie who finished 7th in the Mens Foil at the weekend. Both fenced extremely well all day and only lost their last fight 15-14. This is a senior event and a remarkable achievement as both fencers still have two more years in the Cadet age group. Well done!

Womens Epee (52) - Leonora MacKinnon 2nd, Marina Komova 33rd, Barbara Wanzenried 36th.

Academy Youth Cup 14th March 2009

Another six medal haul was achieved by the club fencers this weekend in the Academy Youth Cup. Reef Boericke, Hannah Poole and Amiee Prefontaine won bronze medals in their respective age groups and the first time they have won medals. They fenced very well and thoroughly deserve this success after all their hard work. Issy Standing and Max Deering followed up on their success last weekend at the Surrey Youth Champs by coming second in the U12 Foil. A remarkable achievement by Max, who has another three years left in the U12 event! Max followed this result by winning a nail-biting final match in the U10's. Coming back from 4- 6 down, he fenced with control and patience to win 7-6.
